METALFILO

Chi siamo

About us

Da più di 50 anni, noi di **Metalfilo** lavoriamo al fianco dei protagonisti del settore Retail aiutandoli a trovare soluzioni per mercati sempre più competitivi, attraverso la produzione e distribuzione di arredamenti, attrezzature e complementi per il negozio e la vetrina. La qualità della produzione tutta Made in Italy, l'accurato servizio di consulenza e di assistenza, fanno di Metalfilo un punto di riferimento, in grado di offrire al punto vendita tutta l'attrattività di cui ha bisogno.
Ogni prodotto è il risultato di un attento studio, progettazione e produzione dal design italiano riconosciuto in tutto il mondo.

*For more than 50 years, we at **Metalfilo** have been working alongside the protagonists of the Retail sector, helping them find solutions for increasingly competitive markets, through the production and distribution of furnishings, equipment and accessories for the shop and the window. The quality of the production, all Made in Italy, the accurate consultancy and assistance service, make Metalfilo a point of reference, able to offer the point of sale all the attractiveness it needs.*
Each product is the result of careful study, design and production with an Italian design recognized throughout the world.

Couture

La linea di busti **Couture** è curata in ogni dettaglio, rappresenta una sintesi perfetta tra classicità sartoriale e sensibilità contemporanea. Sono realizzati con braccia e dita articolabili in legno naturale. I busti Couture offrono una versatilità espositiva superiore, grazie anche alla possibilità di integrare teste dal design essenziale ed evocativo per dare vita a infinite pose.
Il corpo in polistirolo è rivestito da una maglietta in poliestere non sfoderabile.
Il prodotto rappresenta quindi l'alterantiva ideale scenica e intensa variando dal classico manichino.

*The **Couture** bust line is cared for in every detail, it represents a perfect synthesis between sartorial classicism and contemporary sensitivity. They are made with articulated arms and fingers in natural wood. The Couture busts offer superior display versatility, thanks also to the possibility of integrating heads with an essential and evocative design to give life to infinite poses.*
The polystyrene body is covered with a non-removable polyester t-shirt.
The product therefore represents the ideal scenic and intense alternative varying from the classic mannequin.

Energy

La linea **Energy** ridefinisce il concetto di busto espositivo con un design all'avanguardia, materiali innovativi e un'estetica decisa. Realizzati in polipropilene di alta qualità, i busti Energy uniscono robustezza e leggerezza in una struttura pulita ed essenziale, pensata per valorizzare al massimo le collezioni moda più dinamiche e attuali. L'elevata resistenza termica e all'abrasione, unita a una densità omogenea e una finitura perfetta, garantisce prestazioni durature nel tempo anche in contesti retail ad alta rotazione. Con tre tipologie di attacco (schiena, gamba e collo), questa linea di busti si adatta con eleganza e precisione alle esigenze degli spazi espositivi più contemporanei.

*The **Energy** line redefines the concept of display bust with cutting-edge design, innovative materials and a strong aesthetic. Made of high-quality polypropylene, Energy busts combine strength and lightness in a clean and essential structure, designed to enhance the most dynamic and current fashion collections. The high thermal and abrasion resistance, combined with a homogeneous density and a perfect finish, guarantees long-lasting performance even in high-rotation retail contexts. With three types of attachment (back, leg and neck), this line of busts adapts elegantly and precisely to the needs of the most contemporary display spaces.*
